

Sustainable Rangelands Roundtable

Draft Agenda

*Capital Hilton, 1001 16th Street NW, South American Room
Washington D.C.*

April 18 and 19, 2006

Objectives:

1. Revisit SRR new organizational structure to identify goal group leaders and members, and review SRR Strategic Plan to prioritize objectives and tactics for 4 key goals.
2. Introduce CINE and CEAP programs, update group on interagency inventory and monitoring pilot project, and explore opportunities for collaboration with SRR.
3. Discuss reorganized W192 land grant university research project and identify opportunities for integration of SRR indicators, as well as interface with interagency pilot project.
4. Formulate plans for conceptual model critique workshops and SRR participation in the 3rd National Conference on Grazing Lands.
